PTC Heater

Features (PTC Cartridge)

- Voltage : 6~380V(It can be customized) .
- Power : MAX:3000W(It can be customized) .
- Size : It can be customized .
- Temperature : MAX 290°C .
- Sheath : SUS/INCO/Copper/Aluminium °

Application examples

- Defrost 、 Water Heating °
- etc °

Features (Electric PTC Air Heater)

- Voltage : 6~380V(It can be customized) .
- Power : MAX:3000W(It can be customized) .
- Size : It can be customized .
- Temperature : MAX 290°C .
- Air-Cooling Fin : Al Ripple Strip °

Application examples

- Air Warming Machine 、 Dry Machine °
- etc °
