

Gordon Hatch Company, Inc

Process Heating

- Immersion Heaters • Heating Elements • Circulation Heaters • Packaged Systems • Coil/Cable Heaters • Line Heaters
- Die Casting • Refrigeration • Extrusion Press • Urn Heaters • Defrost Heaters • Ceramic Heaters • Boilers • Baseboard Heaters
- Tank Heaters • Custom Heating Solutions • Infrared Quartz Heaters • Inline Heaters • Air and Space Heaters • Flexible Silicone Heaters

Process Sensing and Temperature Controls

- Temperature Controls • Temperature Sensors • Electronic Temperature controls • Resistance Temperature Detectors
- Continuous Level Float Sensors • Drum Level Sensors • Float Switches • Thermocouples • Visual Level Indicators
